

# Program Conferinta XXIV 2016 SRIE

Bucuresti, 17-19 Noiembrie 2016, Hotel Capitol

## Ziua 1 – Curs preconferinta – Tratamentul in epilepsie – notiuni practice

17 Noiembrie 2016 – Sala de Conferinte a Hotelului Capitol, Bucuresti

08.45 – 09.00 – Deschidere, prezentarea invitatilor – Dana Craiu

09.00 – 11.00 – **Tratamentul in epilepsie 1**

*(Treatment in epilepsy 1)*

*Chairs: A.V Ciurea, Irina Constantinescu*

**09.00-09.20: Special guest lecture. Prof. dr. A.V.Ciurea, Dr. Luca -Husti Ionut, Dr. Virgil Ionescu, Dr. Aurel Mohan, Stud. Andrei Marinescu: Debut epileptic in gliomele de grad mic (LGG) supratentoriale – date clinice, diagnostic, neuroimagerie, optiuni terapeutice, follow up, outcome** (*Epileptic onset in supratentorial low grade gliomas – clinical data, diagnosis, neuroimaging, therapeutic options, follow up, outcome*).

**09.20 – 09.40: Laura Popescu: Managementul primei crize epileptice**  
*(First seizure management)*

**09.40 – 10.00: Iuliu Bacos: Principii de tratament in epilepsie – mono- versus politerapie, ritm de introducere; cat de urgenta este introducerea tratamentului la pacientul cu crize epileptice?**

*(Treatment principles in epilepsy – mono-versus polytherapy; how urgent is to treat a patient with seizures?)*

**10.00 – 10.20: Mihaela Vintan: Alegerea medicatiei antiepileptice in functie de tipul de crize**  
*(Choice of antiepileptic drug according to the seizure type)*

**10.20 – 10.40: Daniela Stoian: Alegerea medicatiei antiepileptice in functie de sindromul epileptic**  
*(Choice of antiepileptic drug according to the epileptic syndrome)*

**10.40 – 11.00: Oana Tarta-Arsene: Agravarea epilepsiei de catre medicatia antiepileptica**  
*(Epilepsy aggravation due to antiepileptic medication)*

11.00 – 11.20 – **Pauza de cafea** (*Coffee break*)

11.20 – 13.20 – **Tratamentul in epilepsie 2**

*(Treatment in epilepsy 2)*

*Chairs: Diana Barca, Irina Constantinescu*

**11.20 – 11.40: Diana Barca: Encefalopatii epileptice de cauze genetice – pattern recognition**  
*(Genetically determined epileptic encephalopathies – pattern recognition)*

**11.40 – 12.00: Cristina Pomeran: Urmărirea pacientului cu epilepsie – frecvența vizitelor, necesitatea efectuării EEG, necesitatea testelor biochimice și importanța lor**

**12.00 – 12.20: Alice Dica: Dozele medicației antiepileptice – ce dovezi avem?**  
*(Antiepileptic drugs' doses – what is the evidence?)*

**12.20 – 12.40: Irina Constantinescu: Rolul monitorizării nivelului terapeutic al antiepilepticelor în sânge**  
*(Role of antiepileptic drugs blood levels monitoring)*

**12.40 – 13.00: Mona Ganda: Tulburările cognitive și medicația antiepileptică**  
*(Cognitive disturbances and antiepileptic medication)*

**13.00 – 13.20: Adrian Toma: Tratatamentul antiepileptic în perioada neonatală**  
*(Antiepileptic treatment in the neonatal period)*

**13.20 – 14.20 – Masa de Panz (Lunch)**

**14.20 – 16.20 – Tratatamentul în epilepsie 3**  
*(Treatment in epilepsy 3)*

**Chairs: Joanna Jedrzejczak,**

**14.20 – 14.50: Joanna Jedrzejczak: Management of epilepsy during pregnancy: an update**  
*(Managerierea epilepsiei în timpul sarcinii)*

**14.50 – 15.10: Sorin Tuta: Tratatamentul antiepileptic al vârstnicului**  
*(Management of epilepsy in elderly)*

**15.10 – 15.30: Corina Roman: Alegerea medicației antiepileptice la pacientul cu comorbidități**  
*(Choosing antiepileptic medication in patients with comorbidities)*

**15.30 – 16.00: Stanislav Groppa: subiect rezervat (reserved subject)**

**16.00 – 16.20: Adela Ciobanu: subiect rezervat (reserved subject)**

**16.20 – 16.40 – Pauza de cafea (Coffee break)**

**16.40 – 18.10 – Tratatamentul în epilepsie 4**  
*(Treatment in epilepsy 4)*

**Chairs: Reetta Kälviäinen**

**16.40 – 17.10: Reetta Kälviäinen: Current treatment of Status Epilepticus**  
*(Tratatamentul actual al statusului epileptic)*

**17.10 – 17.30: Irina Florescu: Epilepsie versus fenomen neepileptic**

**17.30 – 17.50: Dana Craiu: Scoaterea tratamentului antiepileptic**  
*(Antiepileptic treatment discontinuation)*

**17.50 – 18.10: Catrinel Iliescu: Reguli de viață la pacientul cu epilepsie**  
*(Daily living rules in patients with epilepsy)*

# Ziua 2 – Conferinta de Epilepsie – Tratamentul in epilepsie

18 Noiembrie 2016 – Sala de Conferinte a Hotelului Capitol, Bucuresti

**08.45 – 09.00: Deschidere oficiala – ziua 1 de conferinta – Dana Craiu**

*(Official opening of the conference – first day of conference)*

**09.00 – 11.00 – Tratamentul in epilepsie 5 – Femeia cu epilepsie**

*(Treatment in epilepsy 5 – Woman with epilepsy)*

**Chairs: Cristina Panea, Reetta Kälviäinen**

**09.00 – 09.20: Carmen Barbu: Profilul hormonal si fertilitatea la femeia cu epilepsie**

*(Hormonal profile and fertility in women with epilepsy)*

**09.20 – 09.40: Alina Blesneag: Epilepsia catameniala**

*(Catamenial epilepsy)*

**09.40 – 10.00: Radu Vladareanu: Contraceptia la femeia cu epilepsie**

*(Contraception in women with epilepsy)*

**10.00 – 10.20: Cristina Panea: Planificarea sarcinii**

*(Pregnancy planning)*

**10.20 – 10.40: Doina Vanghelie, Ionela Codita: Monitorizarea sarcinii**

*(Pregnancy monitoring)*

**10.40 – 11.00: Alexandru Filipescu: Nasterea si ingrijirea postnatala la femeile cu epilepsie**

*(Birth and postnatal care in women with epilepsy)*

**11.00 – 11.30 – Pauza de cafea (Coffee break)**

**11.30 – 13.30 – Tratamentul in epilepsie 6 – Femeia cu Epilepsie**

*(Treatment in epilepsy 6 – Woman with epilepsy)*

**Chairs: Dana Ruxandra Chirileanu, Alina Blesneag**

**11.30 – 11.50: Ioana Minciu, Dana Craiu: Impactul malformativ al expunerii fetale la medicamentele antiepileptice materne**

*(The malformative impact of fetal exposure to maternal AED treatment)*

**11.50 – 12.20 Reetta Kälviäinen: Fetal antiepileptic drug exposure and cognitive outcomes**

*(Expunerea fetala ala medicamente antiepileptice si evolutia cognitiva)*

**12.20 – 12.40: Dana Ruxandra Chirileanu: Epilepsia la femeia in varsta**

*(Epilepsia la femeia in varsta)*

**12.40 – 13.00: Cristina Mambet: Teste de laborator in patologia neurologica**

*(Laboratory tests in neurological pathology)*

**13.00 – 14.00 – Masa de Panz (Lunch)**

**14.00 – 16.00 – Tratatamentul in epilepsie 7 – VARIA**

*(Treatment in epilepsy 7 – VARIA)*

*Chairs: Carmen Burloiu, Dana Craiu*

**14.00 – 14.20: Ovidiu Bajenaru: Tranzitia de la serviciile de Neurologie Pediatrica la Neurologia adulti (? TBD)**

**14.20 – 14.40: Maria Ladea, Catalina Tudose: Tratatamentul pacientului cu epilepsie cu comorbiditati psihiatrice**

*(Treatment of the patient with epilepsy with psychiatric comorbidities)*

**14.40 – 15.00: Tudor Lupescu: Este criza? Este epilepsie? Ce facem mai departe?**

*(Is it a seizure? Is it epilepsy? What do we do further?)*

**15.00 – 15.20: Carmen Burloiu: Controverse asupra initierii tratamentului antiepileptic la pacientii sugari cu scleroza tuberoasa**

*(Controversies upon antiepileptic treatment initiation in toddlers with tuberous sclerosis)*

**15.20 – 15.40: Dana Craiu: Everolimus in tratamentul pacientilor cu scleroza tuberoasa si epilepsie – ce este nou in cercetare – Studiul EXIST III**

*(Everolimus in the treatment of tuberous sclerosis patients – EXIST III study)*

**15.40 – 16.00: Madalina Leanca, Carmen Burloiu, Diana Barca, Oana Tarta-Arsene, Catrinel Iiescu, Cristina Pomeran, Alice Dica, Carmen Sandu, Dana Craiu: Rezultatele tratamentului cu Everolimus asupra epilepsiei – date din cazuistica Clinicii de NP Obregia**

*(Results of Everolimus treatment on epilepsy in patients with tuberous sclerosis)*

**16.00 – 16.30 – Pauza de cafea (Coffee break)**

**16.30 – 18.00 – Tratatamentul in epilepsie 8 – VARIA**

*(Treatment in epilepsy 8 – VARIA)*

*Chairs: TBD*

**16.30 – 16.50: Mariana Balabuti: Legislatia muncii (Labor legislation)**

**16.50 – 17.20: Adrian Ovidiu Dinu: Statusul epileptic in sistemul de sanatate si societatea Romaneasca (Status epilepticus in the Romanian society and health system)**

**17.20 – 18.00: Teodora Neagu, Adela Chirica, Asociatia pentru Dravet si alte epilepsii rare: Subiect rezervat**

**18.00 – 18.20: Dana Craiu, Reetta Kälviäinen: Reteaua Europeana a Centrelor Referinta de Epilepsii Rare si Dificil de tratat Epi CARE (European Reference Network of the Rare and Difficult to Treat Epilepsies Epi CARE)**

**18.20 – 18.40: Catrinel Iiescu: Studiul ESBACE (ESBACE research network)**

**18.40 – 19.30: Adunarea generala a membrilor SRIE**

*(Membrii SRIE sunt invitati sa se autopropuna pentru diversele comisii de lucru la care doresc sa participe. Raport al presedintelui. Raport al secretarului. Raport Comisie Membership. Raport Comisie Website. Comisiile de lucru SRIE)*

# Ziua 3 – Conferinta Nationala de Epileptologie a SRIE

19 Noiembrie 2016 – Sala de Conferinte a Hotelului Capitol, Bucuresti

## 09.00 – 11.00 – Tratamentul in epilepsie 9 – chirurgia epilepsiei

*(Treatment in epilepsy 9 – epilepsy surgery)*

*Chairs: Ioana Mindruta, Petia Dimova*

**09.00 – 09.20: Ioana Mindruta, Andrei Barborica, Cristian Donos, Alin Rasina, Mihai Malaia, Irina Popa: Cum recunoastem zona debutului crizei?**

*(How do we recognize the seizure onset zone?)*

**09.20 – 09.50: Lorella Minotti: Epilepsia pseudo-temporala – evaluare prechirurgicala**

*(Pseudo temporal epilepsy – presurgical evaluation)*

**09.50 – 10.10: Jean Ciurea, Andrei Barborica, Cristian Donos, Alin Rasina, Mihai Malaia si Irina Popa, Ioana Mindruta: Coagularea cu radio frecventa in chirurgia epilepsiei – studiu SEEG**

*(Radio-frequency coagulation in epilepsy surgery – SEEG study)*

**10.10 – 10.30: Oana Tarta-Arsene, Ioana Minciu, Carmen Burloiu, Dana Craiu: Boala Rasmussen in ultimii 5 ani – experienta unui centru** *(Rasmussen disease in the last 5 years – single center experience)*

**10.30 – 11.00: Hans Holthausen: Cand nu trebuie sa rezecam SIM1 in epilepsiile emisferice**

*(When we should NOT Remove SIM1 in Hemispheric Epilepsies)*

## 11.00 – 11.30 – Pauza de cafea (Coffee break)

## 11.30 – 13.30 – Tratamentul in epilepsie 10 – chirurgia epilepsiei

*(Treatment in epilepsy 10 – epilepsy surgery)*

*Chairs: Lorella Minotti, Hans Holthausen*

**11.30 – 12.00: Hans Holthausen: Epilepsiile in zonele watershed**

*(Epilepsies in watershed lesions)*

**12.00 – 12.30: Petia Dimova: Chirurgia epilepsiei rezectiva si paliativa in encefalopatiile epileptice** *(Resective and palliative epilepsy surgery in epileptic encephalopathies)*

**12.30 – 13.00: Lorella Minotti: Epilepsiile temporale plus – evaluare prechirurgicala** *(Temporal plus epilepsy – presurgical evaluation)*

**13.00 – 13.20: Sergiu Stoica: Chirurgia epilepsiei din perspectiva neurochirurgului** *(Epilepsy surgery – the neurosurgeon perspective)*

## 13.30 – 14.30 – Masa de Panz (Lunch)

**14.30 – 16.00 – Tratatamentul in epilepsie 11**

*(Treatment in epilepsy 11)*

*Chairs: Mircea Gorgan*

**14.30 – 14.50: Mircea Gorgan, Felix Brehar: Experienta cu VNS – punctul de vedere al neurochirurgului** *(VNS experience – the neurosurgeon experience)*

**14.50 – 15.10: Cristina Motoescu, Alice Dica, Oana Tarta Arsene, Dana Craiu: Rezultatele implantarii VNS in epilepsia copilului – date din Clinica de Neurologie Pediatrica Obregia** *(The results of VNS in childhood epilepsies – experience of a single center)*

**15.10 – 15.30: Carmen Sandu: Indicatiile Dietei Cetogene** *(Ketogenic diet indications)*

**15.30 – 15.50: Olivian Andrei Arosoaie: Importanța explorării SEEG în epilepsia farmaco-rezistentă lezională. Exemple clinice** *(The importance in SEEG evaluation in lesional pharmaco-resistant epilepsy. Clinical examples)*

**15.50 – 16.20 – Pauza de cafea** *(Coffee break)*

**16.20 – 18.00 – Tratatamentul in epilepsie 12 – Chirurgia epilepsiei: experienta clinica)**

*(Treatment in epilepsy 12 – Epilepsy surgery – how do we manage this?)*

*Chairs: Dana Craiu, Ioana Mindruta*

**16.20 – 16.40: Andrei Daneasa: Epilepsie temporala plus – experienta din patologia adultului cu epilepsie** *(Temporal plus epilepsy – experience from the adult neurology ward)*

**16.40 – 17.00: Anca arbune: Epilepsie pseudo-temporala – experienta din patologia adultului cu epilepsie** *(Pseudo-temporal epilepsy – experience from the adult neurology ward)*

**17.00 – 17.20: Oana Tarta-Arsene, Cristina Motoescu, Diana Barca, Dana Craiu: Epilepsie temporala plus – experienta din patologia copilului cu epilepsie** *(Temporal plus epilepsy – experience from the pediatric neurology ward)*

**17.20 – 17.40: Cristina Motoescu, Oana Tarta-Arsene, Catrinel Iliescu, Nicolina Butoianu, Dana Craiu: Epilepsie pseudo-temporala – experienta din patologia copilului cu epilepsie** *(Pseudo-temporal epilepsy – experience from the child neurology ward)*

**17.40 – 18.00: Concluzii, inchiderea conferintei** *(Conclusions, conference closure)*
