

An application for a CEA-ILAE bursary for the 3<sup>rd</sup> East-European Epilepsy Summer Course must be accompanied by:

- 1) A CV with full description of the activities and education, including professional interests and experience in epileptology.
- 2) A reference letter by the chief of department/hospital supporting the bursary application of the candidate.

Bursaries will be provided for young neurologists/pediatric neurologists with special interest in epileptology. Priority will be given to young members of a national chapter of ILAE. This membership must also be proven by a document from the national ILAE chapter.
